My Commitment to God

Commit to God….like a marriage. Commit to be faithful to these boundaries of 0 to 5. If issues from your past come up, allow God to expose them, deal with it, heal from it, learn from it & move on. Stay connected to the vine (God & His word). Do not allow any mistake to stop or hinder you. Repent genuinely and move on. God has big plans for you & continually falling off, but more importantly, staying off the wagon is effective (strategic move from Satan) to get you in a place where you don't grow & mature & you don't progress where you could be. God is not your earthly father or mother. Do not fear rejection. Open yourself up completely & allow Him to heal you from the inside out. A whole new world is about to open up to you. Get ready to run with it & embrace it. Never give up- Never surrender! (Unless it is your will to God!) You are not a failure. God accepts & loves you. Your house will be a house of prayer, praise, peace & joy. ☺ Invest in God. He will never disappoint.

I need to remember my job on this earth is to declare the praises of my creator – God Almighty!!

Refuse to condemn yourself.

Observe & Correct.

God Loves You Unconditionally!
