Word being studied: _____

Dictionary Definition: (I *highly* encourage you to use http://webstersdictionary1828.com – You will *love* it!)

Seven major words from the definition and *their* definitions:

Now go deeper with four definitions above that stand out to you and write what you feel God is saying to you: [Hint: If you do not feel that you are hearing God, just go with whatever you feel excited about, convicted about, or edified or encouraged by. Second hint: That's probably hearing God! ☺] *(You will probably need to use the other side if hand-writing this.)*

Any other minor, major, or miscellaneous revelations, discoveries, insights made during your study:
